Myrtle Beach Tea Party Endorsement

"On July 9th, Tim Scott came to our membership meeting and spoke with us for over an hour and a half. During that time Mr. Scott entertained all of our questions and we were elated when he signed a parchment copy of the Contract from America for our archives."

"We, the Myrtle Beach Tea Party, feel that Tim Scott is a true Conservative as well as a man of great integrity and character. Tim Scott is desperately needed in the US Congress during this time of crisis for our country and his endorsement by our membership is unanimous!"

"Tim understands our exploding national debt as well as the perilous path that we tread upon. We hope that Tim can bring a sense of fiscal sanity back to Washington and help restore the Constitution upon which our nation was founded."

- Joe Dugan, Chairman of the Board, Myrtle Beach Tea Party
