## **Charleston County Sheriff Al Cannon endorses Tim Scott's bid for Congress**

*Charleston County Sheriff Al Cannon issued this statement today endorsing Tim Scott's bid for Congress:*

"I worked with Tim Scott for 13 years in county government, and I can affirm that he is a friend of the taxpayer and a friend of law enforcement. Tim Scott always focused on funding core, essential services and always ensured that our streets were safe."

"When Tim Scott was Chairman of County Council, he oversaw the consolidation of our 911 Emergency Dispatch. This act by Tim and County Council was the single most responsible act of government I have witnessed in my 22 years as sheriff. And Tim saw to it that we expanded our detention center to keep criminals off the streets."

"I am honored to publically endorse Tim Scott for Congress."
