**STATEMENT from HOUSE SPEAKER BOBBY HARRELL  
Endorsing Tim Scott for Congress**

Speaker Bobby Harrell issued this statement today endorsing Tim Scott's bid for Congress.

“Having worked with Tim Scott for over a decade, I can confirm that he is a tested conservative, as well as a highly respected businessman in the community.”

“As a legislator, he has helped cut the state budget by over \$2 billion; before that, he helped lead County Council for over a decade without a tax increase. The federal government is growing out of control, and Tim Scott is exactly the kind of solid, conservative leader we can trust to fix it.”

“I’m proud to publicly endorse Tim Scott for Congress, just as I am confident he will make all South Carolinians proud in the years ahead.”
